Impact Hub Dhaka Cafe at the 16th Social Business Day

Impact Hub Dhaka was proud to be part of the 16th Social Business Day, held at Samajik Convention Centre, hosting two cafes over two days that welcomed thousands of guests. A key moment of the event was the visit of Nobel Peace Laureate (2006) Professor Muhammad Yunus, who spent time at the cafés interacting with the team, reflecting the spirit of social business in action.

Celebrations at Impact Hub Dhaka

Pohela Boishakh 1433

Pohela Boishakh 1433 came alive at Impact Hub Dhaka with entrepreneur stalls, local delicacies, bioscope shows, caricature art, and hand painting, filling the space with colour and celebration. The day was made even more special by the presence of Professor Muhammad Yunus, 2006 Nobel Peace Laureate, who joined the festivities, interacted with entrepreneurs, and enjoyed the celebrations.

Pohela Boishakh Celebration

Community Potluck

Impact Hub Mirpur hosted a Community Potluck that brought together co-working members, team members, and guests for an afternoon of shared food, games, and conversation. The gathering created a warm and relaxed space for connection and community building.

Strengthening Global Partnerships at Impact Hub Dhaka

This quarter, Impact Hub Dhaka welcomed two diplomatic delegations. On 17 June, H.E. Michael Miller, Ambassador and Head of the EU Delegation to Bangladesh, visited the space, met young entrepreneurs, and joined a fireside chat with Shazeeb M. Khairul Islam, Founder & Managing Director of YY Ventures.

On 18 June, Mr. Alberto Giovanetti, Counsellor and Head of Political, Economic and Communication Affairs at the Embassy of Switzerland in Bangladesh, visited Impact Hub Mirpur to explore the space and engage with its impact-driven community.

Moments from the Visits

Masterclasses & Training Sessions

Masterclasses in Action

This quarter, Impact Hub Dhaka hosted an Orange Corners Bangladesh masterclass on the future of agri-business in Bangladesh, offering entrepreneurs insights into key trends shaping the sector.

Cohort Journeys Across Incubation and Growth

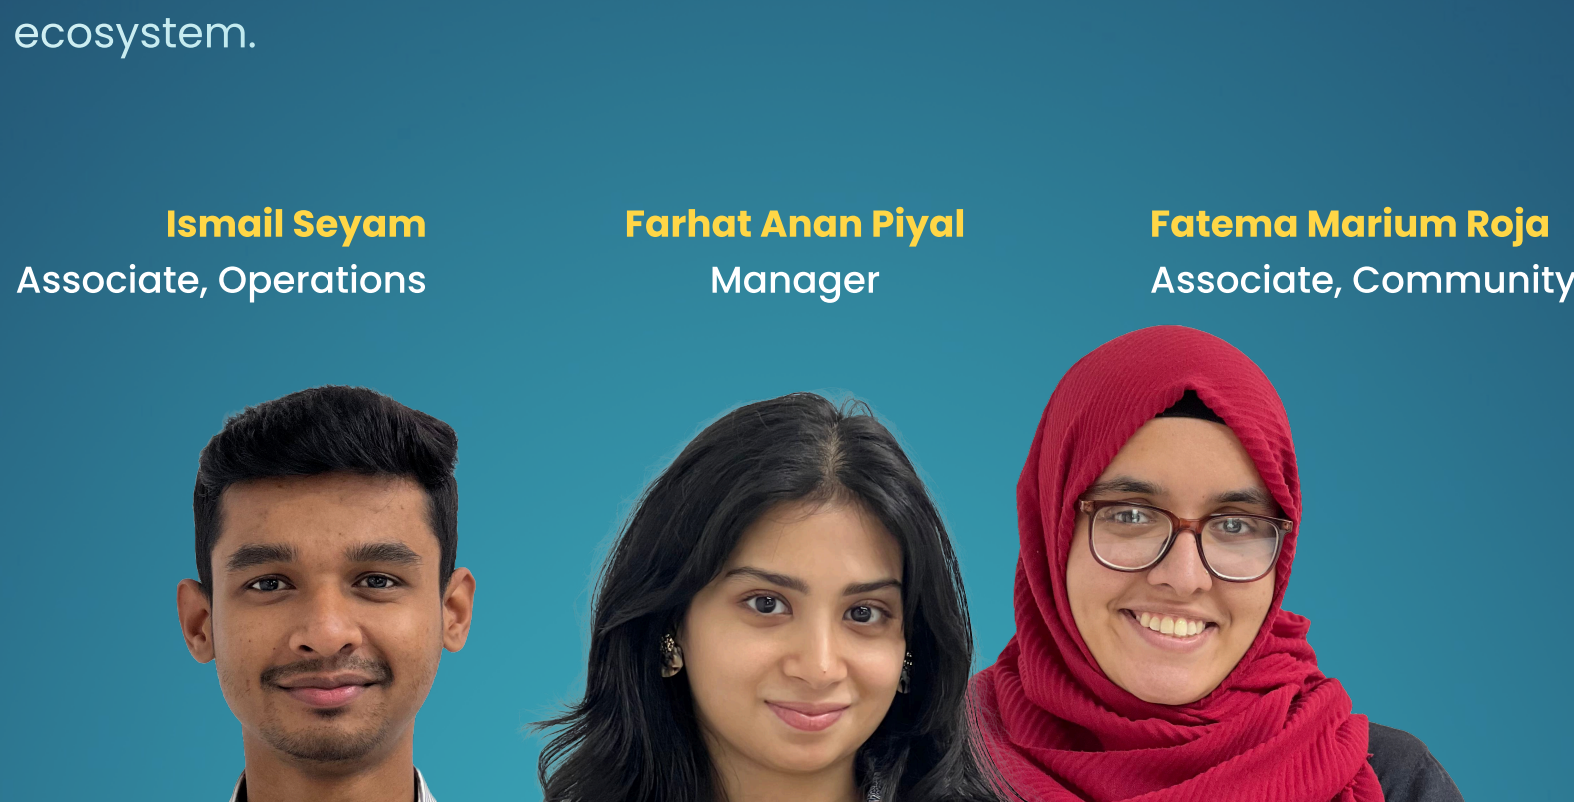

Impact Hub Dhaka hosted sessions across different stages of the Orange Corners Bangladesh journey throughout the quarter. Post-incubation sessions were held for Cohort 5, while Cohort 6 and Cohort 7 took part in multiple training sessions, mentorship sessions, and coaching calls as part of their incubation journeys. Two info sessions were also conducted for Cohort 8 applicants.

Reflections from the Cohort Journey

Community Events at Impact Hub Dhaka

This quarter, Impact Hub Dhaka hosted a series of community events, including NextGen Edu's session on accessible education, Profyl.net's Campus Ambassador Program launch, CityGen Builders' first cohort, and the Funding by Design Workshop with Yunus Centre and AIT, bringing diverse stakeholders together and strengthening the ecosystem.
